Garage with Living Quarters or Cabin Plan. This unique plan is a 3-car garage or shop with 10' ceilings and three bays, all with 10'x8' overhead doors. It has a barn-style look. Enter from the front into an open area. The utility room is on the main level. Upstairs are the living quarters. There is a 900 Sq. Ft. open area, one bedroom, and a 3-piece bathroom. There would be lots of room at the lake to store your boat or other water toys. Great for a detached garage or a cabin at the lake.
