Double garden doors lead from the dining room to the rear partially covered deck. Down the hall you go past the laundry room to get to the bedrooms. There is also access from the garage through the laundry room. The stairs to the basement are right across from the laundry room. There are 2 bedrooms on the main floor. The master has a walk-in-closet and 3 piece ensuite. The garage has a 16'x8' door and a man door on the side. A basic bungalow plan that would fit on most town lots.
