1748 Sq. Ft. Ranch Style Bungalow. A well planned country home. Enter from the covered front veranda and immediately your eyes catch the openness of this floor plan - two vaulted ceilings in the living room and over the kitchen/dining area. The U-shaped kitchen and L-shaped island makes cooking a pleasure. A walk-in pantry for extra storage. From the dining area you access the large rear deck to the back yard. Three large bedrooms with a 3-piece bath in the ensuite off the master bedroom. Also a walk-in closet for the master bedroom. A home office is conveniently located off the kitchen/living room. Main floor laundry with a 2-piece bath. The basement is undeveloped which allows you to finish it to best fits your needs. This home is great for country or city living.
