Bedroom #2 has a vaulted ceiling. Enjoy the outdoors even in the rain under the two covered decks. No small garage here... lots of room for any size vehicle; two 10'x8' doors. This plan also has a finished basement with a very large family room, a wood burning stove, lots of storage space, two spare bedrooms, and a home office. The basement has nine foot ceilings so you can hide all the duct work. Overall, a great family home.
