Bungalow with No Garage. This quaint 1238 Sq. Ft. Bungalow is ideal for town or a cabin at the lake. The front veranda is covered with stylish posts for protection from the sun and rain. From the front door, you enter the living room and dining room area, which is vaulted. The U-shaped kitchen extending from the dining room provides a ton of additional room in this open-space concept. A walk-in pantry adds to the vast amount of room available. The master bedroom features a 3-piece ensuite and walk-in closet. Main floor laundry is a bonus. The crawl space access is in the utility room. Enter the den through double french doors. This could also be used for a sewing room, craft room, or exercise room.
