3-Bedroom Bungalow with No Garage. This plan has a dropped front entry coming up into the great room, dining, and kitchen area, which is vaulted. There is an exit door showing between the great room and kitchen to a future garage. The L-shaped kitchen has an island with eating counter. Exit the dining room onto the rear deck. The master bedroom has a 4-piece ensuite and walk-in closet. An additional two bedrooms on this floor makes this plan very practical for town or the lake. The basement is undeveloped so plenty of options here.
