**Cabin with Walkout & 2-Car Garage.** This plan has an attached 2-car garage at the back, but no direct entry from it. Out the side of the garage door and up the stairs brings you to the main entry with coat closet. Around to the left of the main entry is the kitchen, dining room, and living room area, which is vaulted. The corner kitchen has a small island with sink and dishwasher. Exit the double garden doors in the dining room to access the front covered deck. There are two bedrooms on this level and a 3-piece bathroom. Down the stairs takes you into a large recreation room with a walkout/patio. There is an additional bedroom and 3-piece bathroom on this level, as well as laundry and storage in the mechanical room. A fantastic cabin or narrow lot plan.
