Cabin with Walkout & 1-Car Garage. This plan would be perfect in town or at the lake. With its large two-tiered deck and patio walkout, its the perfect plan to spend a lot of time sitting outdoors. On the main level, you can access the deck from the garage or master bedroom. From the lower level, access the patio area from the sliding doors between the dining and living room. All the windows and doors provide lots of natural lighting. There are four bedrooms on the main floor, accompanied by a 3-piece bathroom. The master with its own ensuite as well. Downstairs, the kitchen, dining room, and living room are all open to each other. The L-shaped kitchen has an island. A wood stove in the living room is perfect for those cooler nights. The laundry room is combined with the 2-piece bath and leads to the mechanical room.
