**1308 Sq. Ft. Bungalow.** From the front door, you enter the living room area. There is main floor laundry just behind the living room wall at the end of the stairs. The kitchen and dining room are open concept with double garden doors leading to the rear deck. The kitchen has a corner walk-in pantry and working island. There are three bedrooms on this floor and a standard 3-piece bathroom. The master bedroom has its own 3-piece ensuite with shower as well. The basement is not developed so you can design the floor plan the way you wish.
