Ranch Style Bungalow with 2-Car Garage. A great design for the farm or acreage. Plenty of room for everyone with this 5-bedroom design. The master suite is on the main floor and has its own 4-piece ensuite and walk-in closet. There are 2 more fair sized bedrooms on this level as well, plus 2 more downstairs. A laundry room is just inside the garage entrance. The 2-car garage is designed with lots of room for a workshop area.. The great room, kitchen, and dining room are open concept with a vaulted ceiling. A fireplace is centered between the large windows in the great room. French doors lead off the dining room to the covered deck in the rear. Downstairs is a large recreation room with a bar seating area, and double doors entering the office. A large utility room with additional laundry facilities and a large storage room are located at the far right end.
