**Bungalow with 2-Car Attached Garage.** This 3 bedroom bungalow has a great layout. All the bedrooms are in the rear of the house with a large laundry room accompanying them. The garage entrance also runs through this same laundry room for added convenience. The main bathroom is across from the laundry room. The master suite has a large 4-piece ensuite with linen closet and huge walk-in closet. A fireplace is centered in the great room, which is open to the dining room and kitchen. This open area has vaulted ceilings. Double garden doors lead onto the rear deck, which is partially covered. You will love this garage as there is lots of room for 2 vehicles, plus a large area for a workshop. The basement is undeveloped so you can design as you wish.
