Ranch Style Bungalow with 2-Car Attached Side Garage. A well laid out home with everything that a country home owner would want. The covered front and rear verandas feature craftsman style posts. An oversized garage with two 10'x8' doors, plus a large sink. The mud room is off the laundry room and includes a two-piece bath. Also, enter the kitchen via the large walk through pantry. The kitchen, with a working island and lunch counter, is open to the dining room and great room. A two-sided gas fireplace divides the dining and living room. Access the covered rear deck from the dining room through French doors. A three-piece bath is located next to the guest bedroom. The master bedroom features a large walk-in closet, a five-piece ensuite, plus access to the rear deck. The finished basement has three more bedrooms, each with a walk-in closet. Two of the bedrooms share a four-piece bathroom, each having their own sink, plus there is a another three-piece guest bathroom as well. Check out the "Man Cave" with a wood burning stove and wet bar. Let's not forget the huge theater room, perfect for watching the big game. This home plan has it all covered!
