Yes

Ranch Style Bungalow with Walkout Basement & 3-Car Garage. A well laid out home with everything that a country home owner would want. The covered front and rear verandas feature craftsman style posts. An oversized garage with three 10'x8' doors. The mud room is off the laundry room which includes a two-piece bath. Also enter the kitchen via the large walk through pantry. The kitchen, with a working island and lunch counter, is open to the dining room and great room. A two-sided gas fireplace with book shelves divides the dining and living room. Access the covered rear deck from the dining room through double French doors. A three-piece bath is located next to the two bedrooms. The master bedroom features a large walk-in closet and a five-piece ensuite which includes a 48" walk-in shower and corner jetted tub. The finished walkout basement has two large bedrooms, each with a walk-in closet. Check out the "Man Cave" with a wood burning stove, wet bar, and access to the rear covered patio. Let's not forget the huge theater room, perfect for watching the big game. Also, storage, and an exercise or flex room. This home plan has it all covered!
