Bungalow Plan - No Garage. An open concept design with a front covered veranda the full length of the house. Enter into the dinette area. The kitchen is immediately on your left. It has an island with eating bar and a corner pantry. Immediately to your right is the great room with a corner fireplace. There are two bedrooms on this level that share a 3-piece bath. There is also a half bath near the side entrance. Sliding doors take you to a small deck. The basement is undeveloped except for the mechanical room, and could be designed with a family room and more bedrooms, or whatever your needs may be.
