2-Storey - No Garage. A cute little country home with a long front veranda. Lots of living space with two floors. The front door enters into the combination mudroom-laundry room which also has a side access. A mechanical room is just off the mudroom and has access to the crawl space below. An outside door separates this area from the rest of the house. The kitchen and living room are open concept. The kitchen also has a rear door to the backyard. There is a bedroom on this level plus a 3-piece bathroom. Upstairs, there are 6'1 walls sloped towards the centre vault. There are two more bedrooms on this level with wall-to-wall closets, plus another 3-piece bathroom.
