6-Plex Plan. This is a great 6-plex plan. The outside units are a little larger at 1226 Sq. Ft. and are a 3-bedroom design. The inside units are 968 Sq. Ft. and a 2-bedroom design. All have a 3-piece bathroom. The staggered design and front covered verandas give it great curb appeal. The kitchen, dining and living rooms are all open concept. Each unit has its own laundry. Lots of closet space for the size of the units and island seating to accommodate more people. Each unit also has its own mechanical in the crawl space.
